

# Team Management and Roles

Invite teammates at Settings > Team > Invite. Invitations expire after 7 days.

Roles:

Owner - full access including billing and deletion.

Admin - manage projects, API keys, and team members.

Developer - create and run jobs, view logs, no billing access.

Viewer - read-only access to dashboards and logs.

Pro plan supports up to 5 team members. Enterprise supports unlimited members with SCIM provisioning.

Remove a member at Settings > Team. Their API keys are revoked immediately.
